

TIMES TABLE PUZZLES SOLUTIONS

Times Tables grids are full of Maths! Use their symmetry and patterns to solve these puzzles!

Each of the following tables has been extracted from grids of different times-tables. Find the value that goes in the white squares.

NEED HELP?

You can find the full grids on the Mathematicalendar website.

a. 12 by 12 Grid

(times tables from 1 to 12)

35	40		50
42		54	
	56	63	70
56		72	80

14			35
		32	
	27	36	
20			50

66

			90
70			
	88		
		108	

b. 15 by 15 Grid

(times tables from 1 to 15)

77	84	
	96	104
99		117

		100	
88	99		
104			
	126	140	

156

			117
100		120	
	121		
120
